Accessing the CommPortal BG Admin Interface

To configure your Business Group line (subscribers) and to manage their services, a BG Administrator should log in to the CommPortal BG Admin interface using a separate login page to regular users.

BG Administrator: https://commportal.connectbetter.net//bg

BG Subscribers:https://commportal.connectbetter.net/

The BG Administrator login page sends the BG Administrator to the BG Administrator section of the default web UI.

CommPortal is supported on the latest versions of all major browsers and operating systems.
