Settings

The Settings tab lets you view and change various settings for the Hunt Group.

Preferences

The Preferences page allows you to rename the MLHG. To rename the MLHG, follow these steps:

1. Type the new name in the text box.
2. Click on Apply.

Hunt settings

The Hunt Settings page allows you to see the call distribution algorithm that is currently in use for this MLHG and other detailed MLHG settings.

You can also use a setting on this page to determine whether the Pilot Line's information (DN and name) is delivered as the Caller ID
