Missed

The Missed section shows you the recent calls that you have received but did not answer:

Messages & Calls – Missed tab

If a caller is in your Contacts list then their name will be shown instead of their number, and an icon indicating which of that Contact's numbers they used to call you.

If you have a Call Manager service, Show Rule takes you to the Home page where you can view your Call Manager configuration.

Add Caller to Contacts

To add the number of someone who called you to your Contacts, follow these steps:

1. Click on the number or name of the caller.
2. Select the Add to contacts

This will now take you to the Contacts page. Enter the details for your new contact and click on Save. See Contacts section for more information on this
