Questions and answers about voicemail.

- [Can I Have My Voicemails Sent As Emails?](#)
- [How Do I Change Or Reset My Voicemail PIN?](#)

# Can I Have My Voicemails Sent As Emails?

Yes. This can be configured from the [CommPortal](#)

- Login to the [CommPortal](#) and click on **Message Settings**, in **General** section tick **Forward messages as emails** then click on **add an email address**.

- In the pop up window enter your email address and click **Add**.

Email Address:

**TIP:** You can leave a copy of your voicemails on the server, these will still be accessible by the CommPortal and the voicemail number. Tick **Leave original in Inbox**.

- Your voicemails will now be emailed to you.

# How Do I Change Or Reset My Voicemail PIN?

If you know your voicemail PIN this can be change from the [CommPortal](#) by following the below:

**TIP:** If you do not know your CommPortal password, instructions on how to reset this can be found [here](#).

- Login to the CommPortal with your username (phone number) and password.
- At the bottom of page click on **Change Voicemail PIN** under **Security**.

Personal Details	Security	Support
Marcus Child	<a href="#">Change Password</a>	<a href="#">Help</a>
<a href="#">support</a>	<a href="#">Change Call Services PIN</a>	<a href="#">Downloads</a>
<a href="#">Admin</a>	<a href="#">Change Security Email</a>	<a href="#">Send Feedback</a>
<a href="#">Devices</a>	<a href="#">Change Voicemail PIN</a>	
<a href="#">Allocated Licenses</a>		

- A window will appear requesting your current PIN and then enter your new PIN then confirm your new PIN. Click on
