

Viewing Call Pickup Groups

The Call Pickup Groups page displays all of the Call Pickup Groups in your department.

The screenshot shows the 'Business Group Admin Portal' interface. On the left is a navigation menu with items like Home, Groups, Hunt Groups (MLHGs), Call Pickup Groups, All Lines, Users, Attendants, Group Access, Phones, Services, and Departments. The main content area is titled 'Call Pickup Groups in Department:' and includes a 'View All' dropdown. Below this is a description: 'A Call Pickup Group (CPUG) defines a group of lines (members) within a Business Group who can use Call Pickup to answer each other's incoming calls.' There are controls for 'Move selected to:' with a 'Select department' dropdown and a 'Move' button. Two buttons, 'Delete Selected' and 'Add Group', are visible. A table below shows a list of groups with columns for 'Call Pickup Group Name', 'Number of Members', and 'Department'. A search bar is present above the table. The table contains one entry: 'Office' with 3 members and 'None' as the department.

| Call Pickup Group Name | Number of Members | Department |
|------------------------|-------------------|------------|
| Office | 3 | None |

To view Call Pickup Groups in sub-departments, select the sub-department from the drop-down list at the top of the page.
