To view Short Codes in sub-departments, select the sub-department from the drop-down list at the top of the page.

To view all of the Short Codes for all departments, select View All from the department drop-down list.

You will only see the **Import** and **Export All** buttons if you are a root administrator for the Business Group. These options allow you to add large numbers of short codes and/or short code ranges, and are described in 8, Importing and Exporting short codes. A Business Group can have up to 10,000 short codes and/or short code ranges, of which 1,000 can have names.
