- Configuration

Recordings: Manage your numbers and view, edit and download your recordings.

Personal: Create users, agents, roles and departments, these can be linked to recordings.

Reports: Displays graphs on usage and recordings.

Configuration: Manage accounts settings and Company details.

Recordings

How to view and manage your recordings.

Recordings Dashboard

The Recordings Dashboard is designed to give quick access and an overview of all recordings. From the navigation menu on the left click on Recordings.

This page will give you an overview of the following:

Total Recordings: Total number of recordings that have been saved.

Total Duration: The total duration of all recordings in hours:minutes:seconds

Total Storage: Total space used by your recordings in Megabytes.

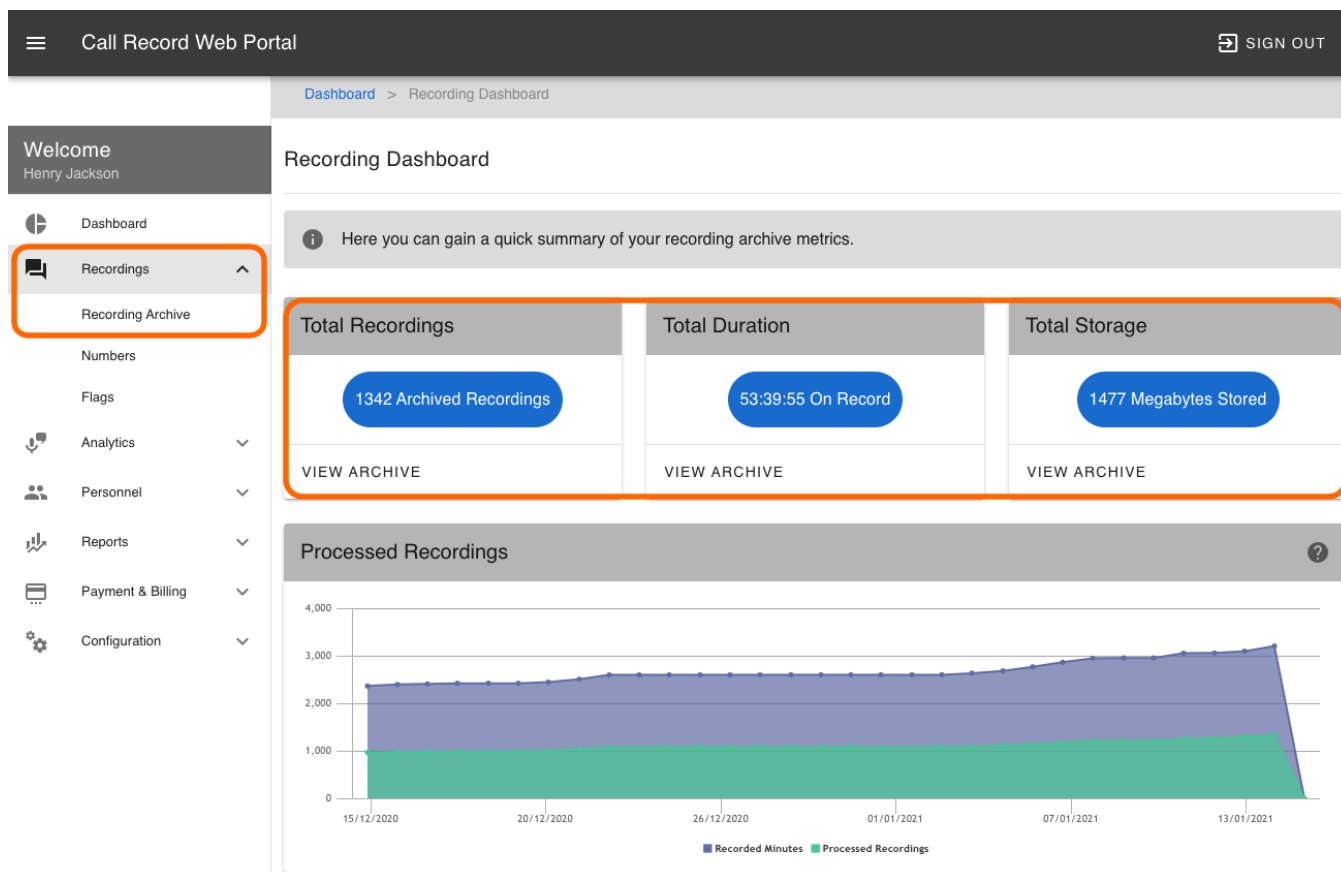

INFO: The Pod Call Record Storage space is currently unlimited. Please contact your Service Provider for further information.

The graph at the bottom will give you an overview of processed recordings over the last 30 days.

Viewing and Listening to Recordings

To view and listen to your recordings, from the navigation menu click on **Recordings** and then click on **Recording Archive**. Alternatively from the **Recording Dashboard** click on any of the **View Archive** links on the dashboard.

The **Recording Archive** page will list all stored recordings. To view a recording click on the view recording link.

The screenshot shows the 'Recording Archive' page. It features a table of recordings with columns: Connected At, From, To, Duration, Score, and Flags. The first row is highlighted, and the 'View' icon (an eye) is circled in red. A 'FILTERS' button is located above the table.

Connected At	From	To	Duration	Score	Flags
15/01/2021 10:22:45	0785	0113 Ben	00:04:57	0	 
14/01/2021 16:19:18	0121	0113 Ben	00:14:13	0	 
14/01/2021 16:06:15	0780	0113 Alex	00:00:06	0	 
14/01/2021 16:04:31	0113 Ben	0121	00:00:53	0	 
14/01/2021 15:45:19	0113 Ben	0447	00:04:22	0	 

The **Recording Details** page, will display details about the current recording.

The **Recording Profile** shows the **From** and **To** numbers, the date and time the call **Connected At** and **Disconnected At**, **Duration** of the call and **File Size**.

The **Media Player** will allow you to play the recording through your web browser.

Download a Recording

To download and save a recording to your computer. From the Recording Details page click on the download icon within the **Media Player**.

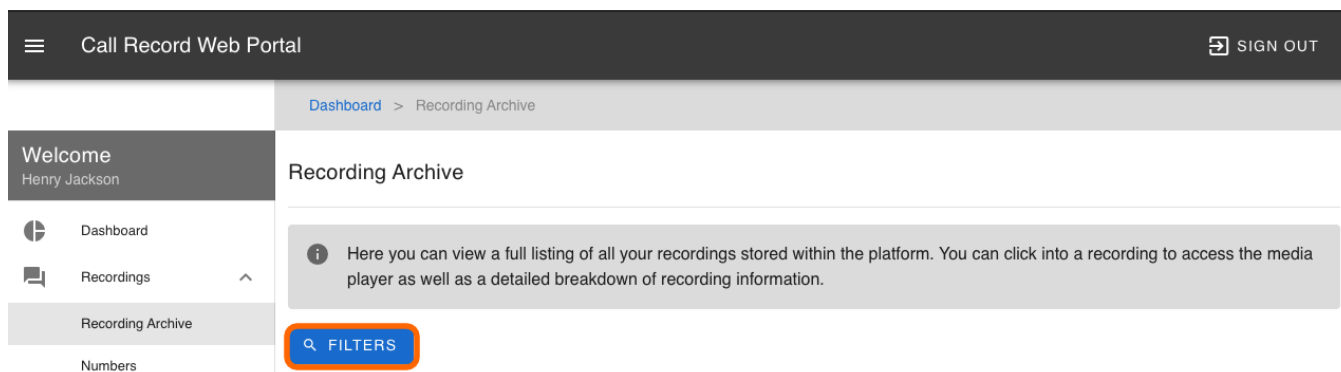

The screenshot displays the 'Call Record Web Portal' interface. The top navigation bar includes a 'SIGN OUT' button. The left sidebar shows a 'Welcome' message for Henry Jackson and a menu with options like Dashboard, Recordings, Recording Archive, Numbers, Flags, Analytics, Personnel, Reports, Payment & Billing, and Configuration. The main content area is titled 'Recording Details' and shows a breadcrumb trail: Dashboard > Recording Archive > Recording Details. Below this, there's a section for 'Assigned Flags' with an 'Assign Flags' button and a 'Score' of 0. The 'Recording Profile' section provides details about the recording, including 'From' (0785 N/A), 'To' (0113 N/A Ben), 'Connected At' (15/01/2021 10:22:45), 'Duration' (00:04:57), 'Disconnected At' (15/01/2021 10:27:42), and 'File Size' (2.27MBs). The 'Media Player' section is highlighted with an orange box and contains a play button, a volume slider, a waveform, and a download icon circled in orange. Below the media player is the 'Associated Calls' section, which shows a timeline of calls. The right sidebar contains a 'Recording Scorecard' section with a 'Total' score of 0, a 'Sentiment Analysis' section with sliders for Call Sentiment, Agent Sentiment, and Caller Sentiment, a 'Category Analysis' section, and a 'Notes' section.

The recording will now be downloaded to your computer, depending on web browser and operating system you may be prompted to choose a location to save the file.

The recording will be saved as an MP3 file and the file name will include the date, time, from and to numbers.

Find a Recording

On the **Recording Archive** page you also have the ability to filter the recording in order to narrow down a search. To do this click on **Filters**.

On the Filters window you can filter the Recording Archive page by searching any combination of the following:

From Number <input type="text" value="Enter From Number"/>	Recorder <input type="text" value="Select Recorder"/> ▼
To Number <input type="text" value="Enter To Number"/>	Flags <input type="text" value="Select Flags"/> ▼
Department <input type="text" value="Select Department"/> ▼	Score above <input type="text" value="Enter score above"/>
Agent <input type="text" value="Select Agent"/> ▼	Score below <input type="text" value="Enter score below"/>
Connected After <input type="text" value="Select Connected After Date"/>	
Connected Before <input type="text" value="Select Connected Before Date"/>	
<div> <input type="button" value="SEARCH"/> <input type="button" value="RESET"/> </div>	

- **From Number:** A phone number that has called in
- **To Number:** A phone number that you have called
- **Department:** If configured you can filter calls by **Department**
- **Agent:** If configured you can filter calls by **Agent**
- **Connected After / Connected Before:** Enter date range to filter on
- **Flags:** If configured you can filter calls by **Flags**
- **Score Above / Score Below:** This is part of Analytics that will be available in a future update.
- **Recorder:** Leave blank unless using the external recorder.

In the example below we are using this to filter on calls made from **Agent Ben** that have been flagged as **New Business Enquiry**. When you have set the filters click on **Search**. You can Reset the filters by clicking on **Reset**.

From Number Enter From Number	Recorder Select Recorder
To Number Enter To Number	Flags New Business Enquiry
Department Select Department	Score above Enter score above
Agent Ben	Score below Enter score below
Connected After Select Connected After Date	
Connected Before Select Connected Before Date	
<div> <div>SEARCH</div> <div>RESET</div> </div>	

If this example this has returned one call relating to the **Agent** Ben and **Flag** as New Business Enquiry.

Connected At	From	To	Duration	Score	Flags
07/01/2021 10:52:02	0798 [redacted]	0113 [redacted] Ben	00:07:44	0	<div> <div>New Business Enquiry</div> <div></div> <div></div> <div></div> </div>

Rows per page: 10 20 50 100

Please remember to **Reset** the filters when you have finished.

Adding Notes

You can add Notes to any recording. There are two types of notes, first is a **Note** that covers the whole recording, the second is a **Timestamp Note** which can be placed at a set time within a recording.

To create a Note find and view the recording, on the **Recording Details** page click on the **Create Note** icon within the **Media Player**.

The screenshot shows the 'Call Record Web Portal' interface. The left sidebar contains navigation links: Dashboard, Recordings, Recording Archive, Numbers, Flags, Analytics, Personnel, Reports, Payment & Billing, and Configuration. The main content area is titled 'Recording Details' and includes a 'Recording Profile' section with fields for From, To, Connected At, Disconnected At, Duration, and File Size. Below this is the 'Media Player' section, which is highlighted with an orange box. The Media Player contains a play button, a volume slider, and a waveform. A 'Create Note' icon (a document with a plus sign) is circled in orange in the top right corner of the Media Player. Below the Media Player is the 'Associated Calls' section, which shows a timeline of calls. To the right of the Media Player is the 'Recording Scorecard' section, which includes 'Sentiment Analysis' and 'Category Analysis' sections. The 'Notes' section at the bottom right shows 'No notes have been added to this recording'.

The **Create Note** box will appear, you can enter comments about the call. Click on **Create Note**.

Create Note

Content (required)

This is a standard note that covers the entire recording. | ?

CREATE NOTE

CANCEL

To create a **Timestamp Note**, using the **Media Player** click on the **Play/Pause** button to play the recording click on the **Play/Pause** where you want the note to be placed this will now pause the recording. Click on the **Create Timestamp Note** icon.

Rows per page: 15 1-4 of 4

Using **Agents** will display the name on the **Recording Archive** page when a recording has been made with that Agent. You can also use the Agents to filter on. These will also be used for the **Analytics** and **Scorecards** once they become available in a future update.

On the **Create Agent** page add a Name for the agent, if you have departments configured select a department. Next select the **Number(s)** you would like to assign to this agent.

It is recommend to leave the Reviewer as blank, unless you are wanting to restrict access to the recordings. Selecting a reviewer (another user) will limit that user only to be able to see recording made by the Agent you have currently created.

Click on **Create Agent** when finished

Assigning Flags

Now that you have created a Flag you can assign this to a recording. Click on **Recordings** then click on **Recording Archive**, find the recording that you would like the flag created above to be assigned to and click on **View Recording**.

On the **Recording Details** page for that recording click on the **Assigned Flags** to select the **Flag** that you created above.

The screenshot shows the 'Call Record Web Portal' interface. The top navigation bar includes a menu icon, 'Call Record Web Portal', and a 'SIGN OUT' button. The breadcrumb trail is 'Dashboard > Recording Archive > Recording Details'. The left sidebar shows a 'Welcome' message for Henry Jackson and a list of navigation items: Dashboard, Recordings (selected), Recording Archive, Numbers, Flags, Analytics, Personnel, Reports, Payment & Billing, and Configuration. The main content area is titled 'Recording Details'. It features an 'Assigned Flags' dropdown menu with a search bar and a list of flags: 'Customer at risk', 'Client re-contracted', 'New Business Enquiry', 'Urgent FUP required', and 'New Product'. The 'New Product' flag is highlighted. To the right of the dropdown is a 'Score' section showing a star icon and the number '0'. Below the dropdown is a 'Media Player' section with play, stop, and volume controls. To the right of the media player is a 'Recording Scorecard' section with a 'Total: 0' and a message: 'There are currently no scorecard metrics assigned to this recording.'

Your recording now has an assigned flag. You can also assign multiple flags to recordings. Any recordings that have assigned flags will be shown on the **Recording Details** page.

Recording Details

The screenshot shows the 'Assigned Flags' section of the 'Recording Details' page. It displays two assigned flags: 'New Product' and 'Client re-contracted'. Each flag has a close button (X) next to it. There is a dropdown arrow and a help icon (?) to the right of the flags.

You can now use the **Filters** on the **Recording Archive** page to search for a flagged recording.

Users and Roles

INFO: Before creating any additional users you must first create a Role. This Role will be assigned to the user to create.

To create a Role click on **Personal** and then click on **Roles** in this example we are going to create an additional Administrator with all permissions.

On the **Create Role** page enter a **Label** and **Description** for the role. Next select which permissions are required, in this example we are creating another Administrator so we would select all permissions. Now click **Create Role**.
